Update: We'll try for the Platte River Room for a video teleconference with the Clark Fork Room in Helena.

For those not in Denver or Helena,

Teleconference Line:

Participant Code:

Hi, Everyone:

I am trying to schedule this time for a briefing on the Columbia Falls Aluminum Co. negotiations for an Administrative Order on Consent for Remedial Investigation and Feasibility Study. The site was proposed to the NPL last spring. This is the first time I can find available for everyone at **8:00 a.m. Thursday October 22, 2015**. I've scheduled an hour recognizing that both Martin and Andrea have another meeting starting at 8:30 a.m. I know 8:00 a.m. is not great, but all of the calendars are pretty full. Please let me know if this will not work for you, and I will try for to find another time. The next possible time would also be at 8:00 a.m. Monday November 9, 2015. I will work with Mark and Mike to prepare a briefing paper to share with you prior to the meeting date.

Thank you,

Joe
